EROS and PATHOS

a solo exhibition by Noel de Lesseps

Exhibition: August 4, 2023, through August 15, 2023

Reception: Saturday August 5, 2023, 4-7 PM

EROS and PATHOS, is a solo exhibit by Noel de Lesseps, (b. 1996). Brooklyn based de Lesseps attended the Maryland Institute College of Art before shifting to a self-driven and self-taught studio practice. Having worked in drawings for many years, he began painting in 2017. Noel's practice is informed by the mystery of consciousness and the natural world. His work is an expression of the philosophical, theological, and metaphysical matters of life.

Previous solo exhibits include those at The Ranch in Montauk; and Nathalie Karg Gallery in NYC. Group exhibits include two at The Fireplace Project, many in NYC, The Southampton Art Center, Harper's East Hampton, SPRINGBREAK Art Fair, Ashawagh Hall, Safe Gallery Easthampton, Galleria Javier Lopez & Fer Frances, Gstaad, Switzerland, The Watermill Center, and others.
