

SPRINGS ETERNAL

A group exhibition

Curated by Alexander DiJulio

Exhibition: July 22 through August 4, 2023

Reception: Saturday July 22, 4 - 8pm

SPRINGS ETERNAL Curated by Alexander DiJulio is exhibition of 12 painters with works from the 1970s to present. The artists include Charis Ammon, Elise Ansel, Ross Bleckner, Scott Csoke, Noel de Lesseps, Chambliss Giobbi, Mitchell Johnson, Tin Nguyen, Emily Pettigrew, Mark Sabin, Thew Smoak and Nick Weber.

Inspired by the phrase 'hope springs eternal' from 1751s "An Essay on Man" by Alexander Pope, ***SPRINGS ETERNAL*** serves as a rallying call for East Hampton's most eccentric hamlet.

Perpetuating the infinity of nature and the timelessness of a place as it rests in memory, ***SPRINGS ETERNAL*** brings together the practices of artists whose work stem from many different roots but whose work emote a certain nostalgia.
